

*Patron Wine Tasting*

## *Welcome Patrons*

The 1996 Board of Directors of the Valley of the Moon Vintage Festival extends their sincere appreciation to the following for their patronage. Our Festival, in its 99th year, is the oldest in the State of California. It continues to be a tribute to the people, like yourselves, who are proud of the traditions and wine heritage of Sonoma Valley.

We also extend our gratitude to the participating wineries and food sponsors for their contributions towards this evening's event and to the State Parks Department and staff for providing the use of this historic Mission San Francisco de Solano.
